The Aspire Hub Bolton is a school for children to attend when school or the Local Authority have identified that they need an Alternative Provision to support their Social, Emotional and Mental Health. We have 2 classrooms, The Butterfly Room and The Den. Your child will be placed in the classroom that best meets their developmental needs, we will also take into consideration the dynamics of the group.

Our children celebrated Chinese New Year. The children learnt how to use chop sticks, tasted a selection of Chinese food, made lanterns and drew pictures of Chinese dragons.

Here are photos of the children during activities and a letter from a pupil asking if we can have Aspire school jumpers which led to a pole on Facebook.
